

Polanyi Society Board Rotation

Names in **bold** indicates those who end a term in the indicated year. The Bylaws specify that a person can serve up to 3 consecutive terms. A person cannot be re-appointed to the Board, after leaving it, for two years.

At the Annual Meeting of 2004, it was voted to organize the then Board members into classes in order to ensure that terms overlap and as the years unfold the board can continue to call upon experienced members with organizational memory. These are the original classes: Class of 2005: Mullins, Puddefoot, Rutledge; Class of 2006: Apczynski, Gulick, Meek, Moleski, Sanders; Class of 2007: Gelwick, Lewis, Moorman.

Since most of the Board members had been serving on the Board since it was formally organized in 2000, all but Meek, Lewis, and Moorman, who were first appointed in 2003, were considered to be completing their second term when their class year came up. Meek was understood to be completing her first term in 2006, while Lewis and Moorman were considered to be completing their second terms in 2007 (each having served a one year and a three year term). This was to ensure that there were not too many persons in any one class.

Here is the record of actions beginning in 2005.

Class of 2005: **Mullins, Puddefoot, Rutledge** (all three replaced). Cannon, Goodman, Mead begin their first three year terms.

Class of 2006: **Apczynski, Gulick, Meek, Moleski, Sanders** (Apczynski, Gulick, Sanders replaced). Moleski is appointed for a final 3 year term and continues as Secretary; Meek is appointed to a second 3 year term; Clark, Moodey, Yu are appointed to first 3 year terms.

Class of 2007: **Gelwick, Lewis, Moorman** (Gelwick replaced). Lewis and Moorman are appointed to third terms; Rutledge is appointed to his first 3 year term after having been off the board for 2 years.

Class of 2008: **Cannon, Goodman, Mead** (Goodman replaced). Cannon and Mead are appointed to their second 3 year term; Yeager is appointed to her first term; Rolnick is appointed to a 3 year term, replacing Moodey, who resigned. Thus instead of appointing Rolnick to a one year term to fill out Moodey's term, the vacancy was used to more evenly distribute persons in the 3 year classes (e.g., the class of 2009 will have four rather than five persons).
